PROFESSIONAL SUMMARY

As a B.S. Information Technology graduate majoring in Web Development, I bridge the gap between reliable hardware infrastructure and dynamic software solutions. Currently serving as a Sales Technician, I leverage a deep understanding of system troubleshooting alongside core expertise in PHP, MySQL, and Responsive Design. I am passionate about building secure, data-driven web applications that solve real-world problems.

CORE STRENGTHS

- **Full-Stack Foundation:** Capable of developing end-to-end web solutions using HTML/CSS for front-end and PHP/MySQL for server-side logic and data management.
- **Technical Problem Solving:** Combining hardware expertise (NC II Certified) with software logic to troubleshoot and resolve complex technical issues efficiently.
- **Network & Infrastructure Integration:** Deep understanding of how software interacts with hardware and network protocols (IP Cameras, NVRs, Routers).
- **Technical Adaptability:** A disciplined, analytical mindset for debugging and a proven ability to learn new frameworks and technologies quickly.

PROFESSIONAL EXPERIENCE

Sales Technician | Insystech July 2025 – Present

- Specialized in the installation and configuration of IP-based surveillance systems (NVR/IP Cameras) and robust local network setups.
- Managed router configurations and deployed remote printing services to optimize office workflows for clients.
- Performed advanced troubleshooting and repair for diverse computer hardware, peripherals, and printer systems.
- Handled the installation and configuration of Microsoft Windows OS, essential enterprise software, and Google Drive for cloud-based collaboration.

TECHNICAL SKILLS

- **Web Development:** PHP, MySQL, HTML5, CSS3 (Responsive Design), JavaScript.
- **Network & Security:** IP Camera Configuration, NVR Setup, Router Configuration (Port Forwarding, Static IPs), and Remote Printing Solutions.
- **Hardware & Servicing:** PC/Laptop Troubleshooting (NC II Certified), Printer Repair, and Component Replacement.
- **Cloud & Productivity:** Google Workspace Administration (Drive, Docs, Sheets), Microsoft OS Deployment.

CERTIFICATIONS & TRAINING

- **National Certificate II (NC II) in Computer Systems Servicing** Technical Education and Skills Development Authority (TESDA), 2025
- **Bachelor of Science in Information Technology (Major in Web Development)** La Union Colleges of Science and Technology Inc., 2025
- **Specialized Training: IP Networking & Surveillance Systems** InfoPlus Corporation (IP Cameras, NVRs, Routers, and Remote Printing)
- **Certificate: Google Drive for Enterprise & Cloud Storage Management** 2026

EDUCATIONAL BACKGROUND	
TERTIARY	**2021 – 2025** **Bachelor of Science in Information Technology** La Union Colleges of Science and Technology Inc. Central West, Bauang, La Union
SECONDARY	**2015 – 2021** La Union National High School Catbangen, City of San Fernando, La Union
